

Our sister, born Dorothy Ann Burmeister (nicknamed Dabby) was born on November 21, 1942.

She welcomed one sister when she was nine, and, seven years later, another. Thirty-three years after that, she became our first subscriber. Thank you, Dabby, for your constant love, your easy laugh, and always enthusiastic support. We wish you many more years of good health, good humor, and happy adventure!

Linda "Sunae"
